Savage Arms

Open Ranges

- 100 Yard Target Range (Paper)
- 800 Yard Unknown Distance Range (Steel Targets from 300yd to 800yd)
- Three 270 Degree Pistol and Carbine Ranges
- 100 Yard Covered Rifle and Pistol Range (Paper)
- 50 Yard Rimfire Steel Range

Safety & Logistics

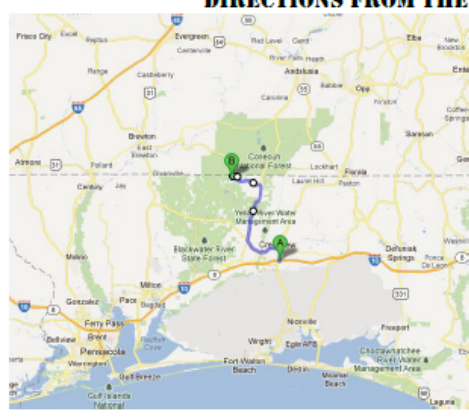

- Eye & Ear protection provided for the Savage shoot. You must provide your own eye & ear protection if shooting your own firearms.
- If you bring your own firearms, they should be cased & unloaded except when on the firing line.
- No steel core, AP, tracer or other ammo which might damage targets/range
- Under 18 must be accompanied by parent or guardian.
- All visitors will be required to sign a release of liability waver before shooting or range use.
- No ammunition or paper targets sales on sight – please stock up before your visit.
- Bringing hats, sun screen, and water for personal comfort is highly recommended

Whether you are just joining our community or a seasoned veteran the K&M Training Facility will exceed your expectations. More Info at KMPrecisionRifleTraining.com

Savage Arms In business since 1894, few manufacturers have the experience to build quality, strength, and dependability into a rifle like Savage. Unsurpassed accuracy, outstanding performance and unbeatable value make Savage, America's choice in sporting rifles. With standard features like free floating, button rifled barrels, dual pillar bedded stocks and the revolutionary AccuTrigger, no other manufacturer offers you a wider variety of options in the most popular calibers to meet all of your hunting and shooting needs. Whatever the caliber you choose, Savage has the action to match. More Info at www.SavageArms.com
